Title: Regency Call to Arms!

Author: Kronos  
-----

ATTENTION, all allies,  
loyalists and lightbringing  
guilds. We in the Regency  
believe that within days  
if not hours, the cities  
of Yew, Britian, and  
Trinsic may fall under  
seige; by none other than  
Lord Blackthorne himself.  
We ask that all other  
activities cease and that  
the protection of our  
cities be our first  
priority. Take all  
precautions neccessary to  
ensure the safety of all  
citizens of the realm.  
Make haste my friends,  
time is short. May the  
Virtues watch over us all  
in these dark times.  
FOR BRITANNIA!  
Lord Chancellor, Kronos
